

# How to register/login to Wiley Author Services

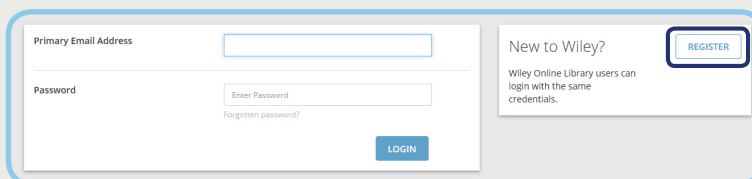

## REGISTER FOR A WILEY AUTHOR SERVICES ACCOUNT

The Wiley Author Services homepage features a navigation bar with links for HOME, AUTHORS, REVIEWERS, EDITORS, and HELP. A search bar and a LOGIN button are located in the top right corner. The main heading is "Author Services" with the tagline "With you every step of the way". Below this, there are three buttons: AUTHORS, REVIEWERS, and EDITORS.

Either click on the registration link in your Author Services invitation email or go to [wileyauthors.com/register](http://wileyauthors.com/register)

If already registered on Wiley Author Services, click **LOGIN**

The login/register form has two main sections. The left section is for login, with fields for "Primary Email Address" and "Password", and a "LOGIN" button. The right section is for registration, with a "REGISTER" button and a note: "New to Wiley? Wiley Online Library users can login with the same credentials." There is also a "Forgot your password?" link.

Click **REGISTER** - if you have a Wiley Online Library account, you can use the same details to login

Complete the **About You** section

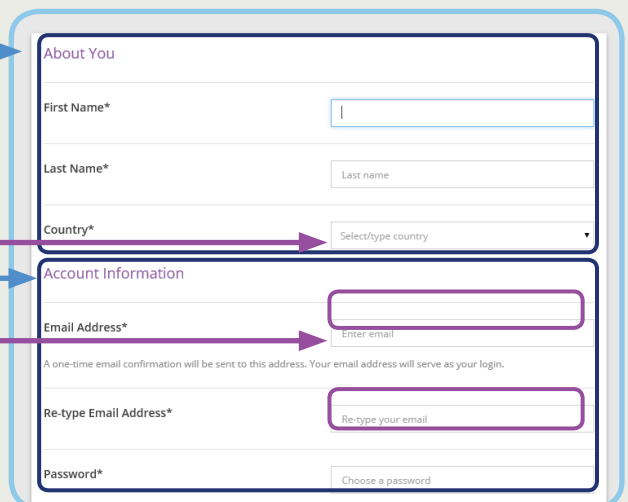

Simply start typing your **Country** into the box for suggestions to appear

Fill in the **Account Information** section

Use the same email address to register that was entered when you submitted your manuscript – this ensures we can populate your dashboard with your articles

The registration form is divided into two main sections. The "About You" section includes fields for "First Name\*", "Last Name\*", and "Country\*" (with a dropdown menu). The "Account Information" section includes fields for "Email Address\*", "Re-type Email Address\*", and "Password\*", each with a corresponding input box.

If your email address is already registered, an alert will appear for you to login
